ARE YOU STANDING ON THIN ICE?
Who is this storybook for?

This storybook has been developed in response to concerns raised by Aboriginal communities dealing with the impacts of ice misuse. It aims to provide practical and useful information to support our Mob in dealing with loved ones misusing ice and keeping our community safe.

This storybook also provides advice for our people who are currently misusing ice and seeking support to quit.

We would like to acknowledge all of the people, services and communities that contributed to the development of this resource from across NSW.

Thank you for sharing your stories and knowledge.

Hey Bruz, how good is this!

Yeah ay, I guess it beats doing nuthin’ but it’s hard work.

My back is already killin’ me Kaelan! It’s gotta be break time soon right?

Haha, stop bludging Jacob and get back to work!
Enjoying the apprenticeship rookie?

It's hard work!

A few of us are going out after, you keen?

Haha you'll get used to it! Of course I do have a bit of help....

Isn't that stuff really addictive and make you go agro?

How do you have the energy after work?

A few of us are going out after, you keen?

Do I look like a junkie? It's fine, I only use it when I need to.

Do you want some? It'll help if you're comin' with us.

Okay....

WEEKS LATER AT THE PUB AFTER WORK.
Are you standing on thin ice?

It’s easy to become hooked on ice if it’s used regularly.
What's with you lately?
Sort yourself out, you're gonna hurt someone.
I'm fine OK!!!

No you're not, you're late again. You can hardly focus. Not good enough Jacob. This is your last warning.

What's goin on with him?
I dunno, never seen him like this before.

I don't wanna be here anyways!

You're not yourself when you use ice.
SHH! I've put Levi down for a nap. What are you doing home so early babe?

JUST LEAVE ME ALONE, EVERYONE JUST NEEDS TO LEAVE ME THE HELL ALONE!

DON'T TALK TO ME LIKE THAT! WHAT HAPPENED?

FORGET IT! I NEED TO GET OUT OF HERE, WHERE'S YOUR PURSE?

I'VE ONLY GOT ENOUGH FOR GROCERIES THIS WEEK, WHAT DO YOU NEED IT FOR?

NONE OF YOUR DAMN BUSINESS! GET OUT OF MY WAY!

STOP YELLING! WHY CAN'T YOU JUST TALK TO ME?

I DON'T NEED YOU! SO LEAVE ME ALONE!

Keep our families safe and strong - ice can make us hurt the ones who love us the most.
Hey,
can I stay here tonight?

Yeah of course. You right?

Not really just feel so tired and moody hey.

All good brah, there's a bed in the spare room.

Thanks, I'm just gonna go for a walk hey, need to clear my head, I'll be right back.

Don't let your spirit turn to ice.
I don’t know what’s goin on with him Aunty. He hardly comes home, and if he does he just crashes out. He doesn’t even play with Levi anymore.

I haven’t seen him like this either, what can we do?

Do you think Jacob could be using drugs? There’s a lot of talk at the Elders group about Ice.

Maybe? But how do we talk to him about it.

Just try havin a yarn to him, but if he gets angry just leave it. Don’t put yourself in danger.

People on drugs do things they wouldn’t normally do. If Jacob becomes violent you need to call the Police, you and Levi need to keep safe.

Jacob would never hurt me or Levi.

I hope it doesn’t come to that Aunt.

Shayna from across the road said she had FaCS get involved because her little ones were seeing the fighting, yelling and violence.

But if we call the cops will Jacob go to prison?

Jacob won’t be charged if he hasn’t done anything wrong.

It’s important to stay safe. Get support for your own and your family’s sake.
Just needed to be alone. You're always on my back!

I think we need to talk.

What are you on about? Nobody has been here. Stop acting crazy!

Oh so that's what you think?

I think you need help Jacob. I don't want to be with you when you're like this.

Where have you been? Levi has been asking for you!

I don't want to... who else has been here?

Well I don't want to...

So you're breaking up with me! There's someone else isn't there!!!

Jacob just get out, you're scaring us.

I'm not going anywhere!

If the person becomes violent or threatens to hurt themselves or someone else, call the police by dialing Triple Zero (000).
Come stay here my girl, you know Shayna just lost her kids because of the same thing with her man.

I don't want to lose Levi, I'm just grabbing a few things and I'll head over.

Thanks so much Aunt.

6 months later... things are worse.

I can't do this anymore Aunt, I don't feel safe. I'm worried about Levi seeing all of this too!

You're not going anywhere.

Hello Police? My neighbour needs help.

It's everyone's responsibility to report domestic violence. You could save someone's life.

It's not a dawg act to call the cops on a woman basher, it's a dawg act not to.
WHAT WENT WRONG THIS TIME JACOB?

THIS IS WHERE YOU’LL KEEP ENDING UP SON. IT’S NOT TOO LATE TO CHANGE. YOU’RE NOT A BAD BLOKE WHEN YOU’RE NOT ON DRUGS... GOT BACK ON DRUGS.

I KNOW; I JUST DON’T KNOW WHERE TO START?

I DON’T WANT TO LIVE LIKE THIS ANYMORE.

I’VE HAD TO WATCH YOU LOSE EVERYTHING BRAH, I CAN ONLY HELP SO MUCH.

DAYS LATER...

JACOB, WHAT ARE YOU DOING WITH YOUR LIFE?

I DON’T BE SHAME TO ASK FOR HELP.

You’re not alone and help is available.
Start by addressing your drug problem, go to the local AMS. I'm sure they can help you, there are a few different options out there.

I'm too ashamed to show my face down there, Aunt.

You can always call ADIS, they're free and 24hrs. Might help you get past the shame and get you talking about your issues bruz.

Later that week...
